Privacy and data retention policy

This policy describes the personal data Assinaflow collects, why we collect it and how long we keep it.

Data we collect

- Account data: name, email address and delivery addresses.
- Payment data: the last 4 digits of your card and its expiry date. Full card numbers are stored only by our payment processor.
- Order history, support conversations and your box preferences.

How we use your data

We use your data to deliver your boxes, charge your subscription, answer support requests and prevent fraud. We do not sell your personal data.

Retention periods

- Account data is deleted within 30 days after you ask us to delete your account.
- Invoices are kept for 5 years to meet tax obligations.
- Support chat transcripts are kept for 90 days.

Your rights

You can request a copy of your data under **Account > Privacy**. We send the export within 15 days of the request. You can also correct your data or ask us to delete it.

Security

Data is encrypted in transit and at rest. Only employees who need the data for their work can access it.

Contact

Send privacy questions to the privacy team through **Account > Privacy > Contact us**. We reply within 15 days.
